Message from the new presidents:

Dear Sisters,

Welcome to the new biennium!

Mary Ann and I are excited about our new responsibilities as your co-presidents. A productive executive meeting with great ideas and suggestions being discussed was held at Mary Ann's home. We focused on our mission for personal growth and excellence in education. With our mission in mind, we have planned speakers and activities which we anticipate you shall enjoy. We hope to strengthen our support of beginning teachers by awarding our grant every year.

This biennium, you have a seasoned leader and one co-president willing and ready to learn her role.

As one teacher to another, you are never too old to learn!

Helene and Mary Ann

VOLUNTEER SERVICE PROJECTS FOR 2022-2023

Since the beginning of COVID in 2020, we all have made and continue to make many changes and sacrifices in our daily lives. We, as educators, continue to want to volunteer and make a difference in the lives of our youth. To continue this wonderful tradition ... we are going to, once again, have Volunteer Service Projects.

Dolly Parton's Imagination Library

Dolly Parton's Imagination Library is dedicated to inspiring a love of reading by gifting books free of charge to children from birth to age five, through funding shared by Dolly Parton and local community partners in the United States, Canada, United Kingdom, Australia and Republic of Ireland."

(Our chapter donated \$275.00 to this project last year.)

Eagle Essentials

A new project has been brought to our attention for the upcoming year.

Eagle Essentials provides hygienic, academic, and clothing items for students in need. Items are available in all three school buildings, as well as the public library and city building. Besides monetary donations, the most popular items are deodorant and tampons ... but all donations are welcome.

Travel -size shampoo, conditioner, toothpaste as well as soap, combs, brushes, hair ties, bandaids, toothbrush, feminine products, lotion.

Foster Care

It has been brought to our attention, that the young adults transitioning out of the the Foster Care program are in need of some larger items to be able to live more independently. They need smaller appliances, such as a toaster, toaster oven, hand mixer, coffee pot etc. We have chosen to help with this need as one of our service projects.

Delta Delta Educator Award

It was decided at the Executive board meeting that we will give this award every year. Monies in this category will go towards our Delta Delta Educator Award for a teacher with 1-5 years of teaching.

If you would like to donate , (any time this year) please complete the form below and return it and your check to: Sharon Gill 1267 Glenwood Dr., Sharon, PA 16146 -3103
